Trial

What have we done?

Having trialled peer observations ourselves we decided to open it up to a wider staff trial.

We gave staff a list of potential strengths and areas they wish to develop.

Paired up based on strengths and development areas

Organising group work				develop	strength					
Running practical lessons										
Student led learning				strength	develop	develop				
Scaffolding written responses										
Joint construction of exam responses										
Teaching exam skills					strength	strength
