

Flipped Learning

Tuesday 18th June 4.00pm – 6.00pm

Mount Grace School

This network event is an opportunity to see flipped learning in action using Google Classroom in particular. There will be the opportunity to see another digital platform if the need arises. The session will highlight how Google Classroom facilitates the delivery of flipped learning in regards to resourcing, homework setting and submission of work. The resources shown will be predominantly Psychology A Level with some languages.
