

Networking event for the teaching of Business & Economics

Thursday 16th May 2019

2.00pm – 3.30pm

Venue: Dame Alice Owen's School

This network event is simply a rare opportunity to get together and share ideas about what has worked well in your school/subject during the year. The session will involve a reflection on a variety of teaching & retrieval strategies trialled at DAOS when teaching both business & economics GCSE & A Level respectively.

Please bring a laptop and any electronic resources you are happy to share.
