Dear applicant,

Thank you for your interest in our Teacher of Science vacancy.

We welcome visits to our school; if you would like to meet some of the team, see the facilities and meet some of our fantastic students please call me to arrange a convenient time.

To apply, please complete the application form and email this to me by the closing date detailed on the advert. Should you be invited to interview, we will contact you shortly thereafter.

We are committed to the safeguarding and promotion of children's welfare. Accordingly, we will obtain references in advance on any candidate short listed for interview. Please note, all job offers are subject to receipt of a satisfactory enhanced DBS clearance.

If you do not hear anything further from us, then unfortunately you have been unsuccessful on this occasion. In order to reduce our administration and postage costs we do not contact unsuccessful applicants, however, once the appointment process has been completed, we are more than happy to provide feedback, if required.

I look forward to receiving your application.

Yours sincerely
