

Do you like to choose your level of work?	What kind of marking/feedback helps you the most?	What could teachers do to help you make more progress in lessons?	What support do you get with completing homework?
student 1 Yes	Teacher sits and gives 1:1 time in the lesson to explain what questions mean	An assistant or more 1:1 help make the subjects more exiting and active as possible and not only give us worksheets all the time.	I do my homework by myself, I don't get much help with my homework and would like more support completing it
student 2 Yes	Detailed EBIs	Give me the same work but with a bit more help on the sheet.	A sibling helps me, I do my homework by myself
student 3 Yes	Questioning to check understanding	Give me the same work but with a bit more help on the sheet.	I do my homework by myself
student 4 Yes	Questioning to check understanding	Encourage me to challenge myself for me what I'm consistently getting wrong and spend time feeding this back to me	I do my homework by myself
student 5 Yes	Detailed EBIs	Encourage me to challenge myself for me what I'm consistently getting wrong and spend time feeding this back to me	I do my homework by myself

What else could be done to support you with your homework?	Could computer access, printing or internet be problematic at times?	Needs to read more regularly?	Would student benefit from more information about careers?
Going over and explaining the homework if people dont understand it. homework not to be as challanging and not that much homework as i have after school activities.	Yes	Yes	Yes
Less homework to complete but still have home work.	Yes	Yes	Yes
